

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

INTRALATA AND INTERLATA REPORTS ON)	
MINUTES OF USE BY SERVICE)	CASE NO. 91-179

O R D E R

After reviewing the reports filed for the third quarter of 1991, the first required in this case, the Commission finds that the quality of the information received would be improved by utilizing uniform definitions for certain terms and implementing certain modifications to the reports.

All carriers shall use the following definitions when compiling the reports:

- (1) "Minutes of Use" is defined as customer billed minutes.
- (2) "Message" is defined as a completed customer telephone call.
- (3) "Revenues" is defined as the total revenues that correspond to minutes of use reported.

In addition, this data shall be provided for the residential segment and business segment rather than by type of service as originally ordered.

These changes shall be effective on January 1, 1992.

Further, some carriers have not yet filed reports for the third quarter 1991, despite being ordered to do so. The following carriers are HEREBY ORDERED AND COMPELLED to file reports for the

third quarter 1991, by no later than 10 days from the date of this Order: (1) Kentucky Telephone Company; (2) Wright Businesses, Inc.; and (3) MCI Telecommunications.

IT IS FURTHER ORDERED that:

1. All intraLATA dominant and non-dominant carriers shall file Minutes of Use Reports in the format described in Appendix A on a quarterly basis.

2. All interLATA dominant and non-dominant carriers shall file Minutes of Use Reports in the format presented in Appendix B on a quarterly basis.

3. The revised Minutes of Use Reports shall be due 60 days after the 1st quarter which shall be defined as January 1, 1992 through March 31, 1992. All subsequent reports shall be due 60 days after the end of each calendar quarter.

4. The revised IntraLATA and InterLATA Minutes of Use Reports filed in the above-styled case shall be held and retained by the Commission as confidential and shall not be open for public inspection.

5. All reports and cover letters shall be stamped "confidential" to facilitate confidential treatment.

Done at Frankfort, Kentucky, this 27th day of February, 1992.
